### **INC 5000 Recognizes MINDBODY for 6<sup>th</sup> Consecutive Year**

MINDBODY's rapid growth earns place on list of fastest growing companies

**San Luis Obispo, CA and New York, NY – August 20, 2013** – MINDBODY, the leading provider of business management software to the wellness industry, has been listed by *Inc. Magazine* as one of the fastest growing companies in the U.S. for the 6<sup>th</sup> consecutive year, ranking 1,360 among 5,000 companies.

MINDBODY is amongst a small group of companies that have been listed consecutively for six years in a row. Each month, MINDBODY welcomes over 1,200 new business locations that subscribe to the company's web and mobile app solutions, which streamline business needs into one easy-to-use system and enable management on-the-go. The rapid expansion of MINDBODY's client network over the past several years has landed the company as the fastest growing web-based business management software provider in the wellness industry at large.

"We are thrilled to be listed in the Inc. 500/5000 for the sixth consecutive year," said Rick Stollmeyer, MINDBODY co-founder and CEO. "Our mission of leveraging technology to improve the world's health and wellness is coming to fruition every day. Our rapid growth is a testament to the accelerating adoption of health and wellness practices around the world, and we're excited to be playing such an integral role in helping these businesses operate and grow in the process."

MINDBODY's growth is expected to continue well into the future as its target markets of

health, fitness and beauty are burgeoning, and the demand for mobile, on-the-go management is increasing. MINDBODY's subscriber satisfaction is due in large part to its software's comprehensive, cloud-based management system which brings all business needs under one roof and makes them accessible to the business owner anywhere, at anytime. Coupled with mobile app solutions and third-party integrations, MINDBODY subscribers are able to run their business more efficiently while increasing revenue and remaining competitive in the marketplace.

2013 marks the seventh annual Inc. 500/5000, an exclusive ranking of the nation's fastest-growing private companies. The list represents the most comprehensive look at the most important segment of the economy – America's independent entrepreneurs.
