MINDBODY Named to INC 5000 for 8TH Consecutive Year
Software provider for wellness industry acknowledged for continued high growth

San Luis Obispo, CA – August 12, 2015 – MINDBODY, Inc. (NASDAQ:MB), the leading provider of cloud-based business management software for the wellness services industry, has been named by *Inc. Magazine* as one of the fastest growing companies in the U.S. for the 8th consecutive year, ranking 1658 among 5000 in this year's list.

The INC 5000 is ranked according to percentage revenue growth over a four-year period. MINDBODY joins a small, elite group of other fast-growing U.S. companies that have been consistently recognized on this list for eight years in a row.

“Our continued ranking is a testament to talent and dedication of our team,” said Rick Stollmeyer, MINDBODY CEO and Co-founder. “They’ve grown MINDBODY from a garage startup to a publicly traded global leader, and today they’re working in tandem with our clients to positively impact millions of lives around the world. This award is dedicated to everyone that has contributed along the way.”

MINDBODY’s transaction-enabled platform is used by wellness providers to market and build their businesses, and by people worldwide to find, book and pay for classes and appointments within the company’s subscriber network. Having successfully completed its IPO in June of 2015, this marks MINDBODY’s last inclusion in the annual list of private companies.
